‘Who is a Prophet like Moses’, the New work of the Descending Phenomenon of the Holy Spirit

Prophet Like Moses In Korea?

Moses is the great prophet of Israel who extricated the Israelites according to the command of God. A prophet understand to a person who is called from God and prophesies the word of God (Jeremiah 1: 5-9; Amos 7:12).
The Prophet like Moses in Korea!

Moses saved the Israelites in Egypt, ‘the prophet like Moses’ indicates the victor savior who saves all the humanity dying in pain by pouring the hidden manna. In what country does the prophet appear. In conclusion, the Bible & Geokamyourok says that a prophet like Moses was born in Gimpo city, south Korea, at the end of the earth, he was supposed to begin the work of the holy spirit in Bucheon city, which has the holy sanctuary mountain, and he was supposed to pour the Hidden Holy Dew Spirit to people, also which is the fruit of life, the hidden manna as well as the hidden secret of heaven.
The Hidden Manna Of New Heaven And Holy Spirit

According to Hosea 14:5-6 in the Bible, when the victorious savior comes, God will become the dew and fall. Therefore, when the holy dew spirit falls, it is evidence that the savior to save all dying humanity came. The Buddhist scriptures record that the man who brings the sweet dew water is the Maitreya Buddha. 「Gyeokamyourok」, a Korean prophetic book with 100 percent accuracy predicted when Jeongdoryeong appears to the world, he will have the sweet dew as hidden manna. The holy dew spirit, the sweet dew, and KamroHaein indicate the same thing.

The Victory Altar (勝利祭壇)?

The Victory Altar (勝利祭壇): The name of the Victory Altar came from the order of the Fifth Angel (Park Tae Seun) in a prophecy according to the Bible as one of Korean new religion movement, The original whole name is “The Eternal-Life Religion God’s Holy Society , Victory Altar (勝利祭壇)." Some journalists and broadcasters who did not understand the conception of immortality of ‘the Victory Altar’ call the name to belittle and allude the Victory Altar. However, examining the name, it is originated from the Altar where God who preaches immortality stays. The Victory Altar hopes that people call it the Victory Altar for shorter, also I will use the name in my thesis.

The Prophecy of Gyeokamyourok & the Bible is same

If we read these prophecies of Hosea 14:5 in the Bible “I will be like the dew to Israel; he will blossom like a lily....”, of Isaiah 26:19, “Your dew is like the dew of the morning; the earth will give birth to her dead.”, we can find that the symbol of Victor Savior shall be a lily and he appears with aroma lily flower. Therefore, we can see Jewish coin of the time of Antiochus 7th and archeological ancient area. It means that the man who smells lilies and pours the Holy Dew Spirit is the true Victor Savior

The Secret Of ‘Golden Menorah’ & Seventh Seal

Photo18: The Golden Menorah: The Seven Candlestick, The Symbol Of Israel Which Announces The Advent Of The Victor Who Opens The Seventh Seal.
The Secret & Meaning of the ‘Menorah’

The Secret & Meaning of the ‘Menorah’, 7 Candle Sticks, the term of ‘Menorah’ is a Hebrew, the Menorah(light house, in a new version) means 7 candle sticks. Because menorah is an important symbolic sacrament used in the ceremonies of Jewish that have been going on for over 3,000 years, the menorah is depicted on the chief symbol representing the nation of Israel. The menorah, the 7 candle sticks, symbolizes the presence of god, which appeared as a not burning fire in a bush, when the Moses received the ten commandments on mount Horeb. It symbolizes the Holy Light Spirit of from the god of the Lord in universe.
The Secrets And Meaning Of Menorah, The 7 The Candlestick can Be interpreted in several ways. This is my personal opinion about Menorah.

1) A not burning fire: God, who saved the people of Israel through Moses, appeared on the bushes and once again embodied to imprint God’s existence and reality.

2) the shape of cloud and fire-pillar: Exodus tells us that as God is a God of freedom, so that he can change his image and form as he wants, and he will control wind and rain at his will. A specific revelation related with this content becomes clearer when we refer to Gyeokamyourok by Namsago.

3) The life water of spring and the existence of dew manna: When the waters of the wilderness was dry and people died, Moses struck rocky stones with sticks to make the waters spring, and when there is no food to eat, the person who became the source of life that gives down manna like dew from heaven.

4) The 7 angels and the man who opens the 7th seal: When we read Exodus 25: 31-32 closely, we see that God’s deepest will is implied in making seven candlesticks in the making of Menorah.
They experience following the mysterious taste of the sweet dew. When people experience the sweet dew, they have the smell of paper burning and the smell of burning decayed blood.

1. That is the smell of burning sin.
2. Their whole body becomes hot like a burning ball.
3. They feel that cool life water flows from their mouth to their abdomen.
4. They smell the strong scent of lilies.
5. Their spirit becomes clear and their body becomes light.
6. The sweet dew is taken by cameras variously as the forms of light.
7. Their spirit and mind is changed clean & peaceful step by step by receiving it.

‘The Law of Liberty’ In the New Ear

‘The law of liberty’, A new law for new civilians’, what is the law of liberty?

It is a law that enables humanity not to commit sins, it enables them to be reborn as the holy spirit. That is, it is A law that makes humanity lives forever as god. Also, it makes New Heaven In People’s Heart.

The law of liberty is followings. “Looking by regarding everyone as my body at and adore the reincarnated Maitreya Buddha, victor, savior who sends the sweet dew every second.” “Beating one’s consciousness of ‘I’ and killing it” “regarding the sins of brothers as mine.” “Regarding others’ faults as mine.” “Not hating brothers” “regarding brothers’ circumstances as mine.” “Regarding others as mine” “having the conviction of immortality.” “Living a life in contrast of what consciousness of ‘I’ desires” “conceiving the heart of god all the time.”
Conclusion

Most of above the announcements and introduced the topic I made today are hidden as the secrets of the New Heavens, and they can be revealed only by the last spiritual prophet like Moses, the man who opens the last 7th Seal as a Seventh Angel, Seventh Spirit. He is just the God of Lord with victory for the soul of the devils.

The Work of the Holy Spirit on the True Holy Land appears in the Lost tribe of Dan, it is an amazing last Sacred History and heavenly work that the Victor Messiah like Moses appeared in the Hidden Tribe of Dan.
Therefore, it is not necessary to say that the place where the Spiritual Prophets Like Moses lives coming and the Hidden Manna of New Heaven falls will be just the Most Holy Place in the future.

The Future of Korean new religious movement was aimed at Building and Realizing the Earth Paradise and Utopia on this earth by producing Neohumans of New Heaven.

‘一葉知秋’ & ‘百聞不如一確’

Like knowing 10, by seeing One(1), like knowing autumn comes by seeing one leaves of Paulownia falling down, only if one knows who comes by seeing the descent of the Hidden Manna, they can be the people of heaven and chosen people. In other words, just as you can see from the falling phenomenon of the heavenly Hidden Manna and the Five Covenants of the Victor, which is interpreted that now is the time when people realize that the Door of Salvation is opened in Korea Sosa, the Last Work of the Holy Spirit is in progress to complete by a prophet like spiritual Moses.
Photo24: The advent of the hidden true Messiah and the tribe of Lost Dan that the judge like the spiritual Moses appears, and the secret of the rose of Sharon: the rose of Israeli desert on the left and the rose of Sharon, the symbol of Korea on the right called Mugunghwa(무궁화) in Korea.
That’s all.
Thank you.
